

MICROSILK[®]

DISCOVER THE BEAUTY

Look Younger with MicroSilk®

MicroSilk® is a new patented Hydrotherapy that rejuvenates your body and skin, making you look younger and feel better. The gentle effervescent sensation and silky feel of the water are signs that your body is benefiting from the super saturated water with billions of oxygen-rich micro bubbles. These micro-bubbles, increase oxygen levels in the water and blankets your body, energizing skin cells, stimulating the immune system and collagen production, killing bacteria and promoting healing.

Rejuvenate yourself with MicroSilk® – Hydrate your body, Plump your skin, Reduce fine lines and wrinkles.

ENHANCE COLLAGEN PRODUCTION.

MicroSilk® increases the levels of oxygen in the water which is good for your skin. Oxygen is known to stimulate natural collagen production, Nature's own anti-aging cream.
